Avid Adrenaline/Nitris

Apple- Final Cut Pro, DVD Studio Pro

PROFILE

Libby Fabricatore has been working as a freelance Avid and Final Cut Editor for seven years. She is highly creative, able to develop a strong storyline and solid content, as well as bring a visual aesthetic to her projects. Libby possesses a broad-based, multi-disciplinary skill set. She is proficient in Avid and Final Cut Pro 7, DVD Studio Pro, as well as encoding for web/multiplatform delivery. She brings to her work not only a solid technical background, but also a strong visual aesthetic and artistic sensibility. Libby is also an inter-media musician and drummer; influences that inform her editorial work. Her talents in these disciplines feed into her work as an editor, allowing her unique and highly individualized style to shine through.
